**Consideration of the Corridor Banner Proposal**

- Jennifer Lohman (Soloh Focus) presented three Pole Banner Campaign concepts; each with both single-sided and double-sided design options. She clarified that 18x36 is recommended size for the banners.

- 6 months is the longest that we can keep them up.
- Chair Lum expressed a desire to be able to remove/store the banners so that we might be able to use them for more than one year.
- Jennifer will incorporate a QR code that will link back to our website.
- We discussed having the website match the banner campaign.
- Ethan asked about getting Brand Standards/color palate to be able to tie into the website and other deliverables.
- Jennifer recommended that we create Branding – standards, color palate, typography, etc. and update the website to match the banners/branding and possibly print vinyl decals to distribute.
- Jennifer will provide additional proposal/quote for branding.
- Kahleea will work with BWL to get an updated quote on installation.

Member Barr expressed support for the second design, and Member Daman seconded.

The group voted to move forward with that design.

Chair Lum will continue working with Soloh Focus to finalize the design and payment.
