MOTION BY COUNCIL MEMBER WOOD TO APPROVE THE MINUTES FROM AUGUST 22, 2016 AS PRESENTED. MOTION CARRIED 3-0.

Council Member Houghton amended the agenda.

RESOLUTION – Set Public Hearing on Noise Waiver – Frances Park Pump Station

Mr. Malvetis outlined the project at Frances Park, which includes the completion of the pump replacement making all pumps functional. The current construction will include by-pass pumps outside the building, which will assist the pumps to maintain the process, particularly during rainy season and in the colder months. To install those the contractor wants to start the work in December and be complete in the spring. There will no 24- hour noise, just when the pump generators turn on. The request for the noise waiver covers the time outside of the normal

permitted construction time. The department has reached out to the community and went 400' from the park property lines. With the hearing on November 14th, it should be back before Council on November 28th for passage in time for the contractor to start the work.

MOTION BY COUNCIL MEMBER WOOD TO APPROVE THE RESOLUTION TO SET THE PUBLIC HEARING FOR NOVEMBER 14TH ON THE NOISE WAIVER AT FRANCE PARK PUMP STATION. MOTION CARRIED 3-0.

RESOLUTION – CLAIM APPEAL #1300 & 1307; 225 WOODLAWN

Mr. Sanford recited the time line for the work, noting the property was red tagged and sold to the current owner on March 29, 2016. This was after the original work was done, December 11, 2015, therefore the claimant does not have standing to file a claim. Ms. O'Berry agreed with Code Compliance, the violation occurred and was assessed at the time he did not own the property.

Mr. Atta confirmed he bought under a quit claim from someone he knew and did not check the taxes for any special assessments. Ms. O'Berry informed Mr. Atta his next course of action would be to go to small claims court against the seller. Committee members offer him assistance with contact information to MSU Legal Aid.

Council Member Houghton dismissed both claims, #1300 & #1307 because they were filed improperly.

Mr. Sanford presented Mr. Atta with his card, and after Mr. Atta stated he was a veteran, Mr. Sanford also provided to connect him with a veterans advocate. Mr. Atta informed Mr. Sanford that the property is now appropriately cleaned up and fixed to remove the red tag. Mr. Sanford asked Mr. Atta to stop at the Code Enforcement office and schedule an inspection to remove the tag and register it as a rental if he was going to use it as such.

RESOLUTION- 4700 Pleasant Grove

Ms. O'Berry stated that there have been multiple claims filed by the claimant in the past. Mr. Sanford then proceeds to outline the history, noting the commercial property at this address was cited on 1/6/2016 with a compliance date of 1/13/2016. Included with the violation on trash they were also cited for 3 disabled vehicles. The owner had one vehicle was towed, but there was no conversation on the trash. The contractor arrived on 2/4/2016 and the cleanup was performed. This claim did go before the Claim Review Committee and they granted the claimant a portion for 554.00, leaving a balance of \$1320.00.

The Committee referenced a letter dated June 22, 2016 from the claimant asking for a review of the \$525. Therefore that is the only claim the Committee can review. Ms. O'Berry confirmed that the claim for \$525 was reviewed by the Claims Review Committee also, and it was a board up fee that the claimant contested. The Claims Review Committee denied it.

MOTION BY COUNCIL MEMBER SPITZLEY TO DENY THE CLAIM FOR 4700 PLEASANT GROVE IN THE AMOUNT OF \$525.00. MOTION CARRIED 3-0.

The Committee had no additional comments or updates to the presented budget priorities.

The first notice was written May 12th, 2016 but I moved my lawn before the notice was mailed. That was the week it rained every day and I have to fit lawn work in with dialysis (3 times/week) travel to UofM for kidney transplant evaluation and other doctor's appointments. Apparently another notice was issued June 8th. My lawn was mowed June 9th, the day before my parents visited on June 10th from North Carolina. You should change your procedure to placing the ticket on the front door like a red tag (immediate notification) instead of mailing the notification which takes up to 2 weeks and the problem is already corrected.

CODE OFFICER'S NOTES: This property has been cited twice this year for Grass/Weed violations the notices clearly state you are only allowed one premise violation per calendar year or you can be assessed the \$75.00 multiple notice fee. The claimant admits that the grass was long when the first violation was written as he stated he mowed the lawn the day after the notice was written. The 2nd notice assessment picture shows the grass taller than 8 inches therefore this office recommends denial of the claim.

CODE OFFICER'S NOTES: This property was cited for a trash violation on 12/15/2015 with a compliance due date of 12/22/2016. The owner called on 2/15/2016 and stated he had received a bill for a trash removal spoke with the Premise Officer Zachary Driver (please see notes) he indicated he had beat the trash contractor and Officer Driver noted to him the pictures in BS&A indicated otherwise and the claimant was informed that at this time his only recourse was to file a claim. The claimant took no action until he received the tax bill and is not claiming there wasn't a trash removal done. The billing notice that went out stated Trash Administrative fee and Board up which was an error they both should have stated trash removal but the fee is correct and the owner knew back in February it was all trash removal not board up and if I had been notified it was incorrect I could have corrected the billing notice before it was added to the property taxes. The claimant is also claiming \$593.00 but the trash removal was \$518.00 with a \$75.00 multiple notice assessment for being multiple premise violations in a calendar year. This same owner has a history of premise violations please see the attached screen shots of her other properties with their histories of premise violations. This office recommends denial of the claim.

ZD 2-15-16: Spoke with Khan (owner, 517-488-9659). He received a bill for this clean up after we had spoke on the phone. Our initial conversation was held the date of submittal. I informed him that I had already submitted the trash violations to our contractor and that the contractor has a heavy work load right now, so he may not clean it up immediately. If he can clean up the property before our trash contractors do, he will not be charged for the submittal. Mr. Khan agreed he would clean up the property immediately in hopes of beating the trash contractors there.

With the conversation held TODAY, Mr. Khan claims to have beat the trash contractors there to remove the violations written. The images in the system show otherwise. I directed toward a claim form.
