Resolved by the City Council of the City of Lansing

WHEREAS, the Lansing City Council recognizes that the people of Lansing are directly impacted by national decisions on war, military spending, and foreign policy; and

WHEREAS, the United States Constitution grants Congress the sole authority to declare war, and any prolonged military conflict undertaken without explicit congressional authorization raises serious constitutional and legal concerns; and

WHEREAS, the residents of Lansing are already struggling with rising costs of living, including increases in food prices, gasoline, utilities, and other necessities that are often worsened by war and instability in global energy markets; and

WHEREAS, families in Lansing deserve investments in housing, infrastructure, education, healthcare, and public safety instead of endless military escalation abroad; and

WHEREAS, military action without clearly defined objectives, transparency, or an achievable end goal risks unnecessary loss of life and prolonged economic hardship for working people.

NOW, THEREFORE, BE IT RESOLVED, that the Lansing City Council calls for an immediate end to unauthorized military escalation and any unlawful war with Iran.

BE IT FURTHER RESOLVED, that the Council urges the President and the United States Congress to pursue diplomacy, de-escalation, and peaceful resolution instead of continued military conflict.

BE IT FINALLY RESOLVED, that the City Clerk submit copies of this resolution to the Governor of the State of Michigan, the delegation of the Michigan House of Representatives and Senate, the President of the United States, and leaders of the United States Congress.

BE IT FINALLY RESOLVED, that the following policies are hereby established for the 2026/2027 fiscal year:

FY 2026/2027 Budget Policies

In accordance with the State Uniform Budget and Accounting Act (Public Act 2 of 1968), the City of Lansing's annual appropriations, as set forth in the annual budget resolution, shall be made in accordance with Generally Accepted Accounting Principles (GAAP) and shall apply to all funds except internal service funds, debt service funds, permanent funds, and trust and agency funds.

The City's fiscal year is July 1 through June 30. In accordance with the City Charter, on or before the fourth Monday in March, the Mayor submits to the City Council a proposed operating budget for the fiscal year commencing the following July 1. Not later than the third Monday in May, (7-105.1) the Council adopts the budget; at least one week following completion of the final required budget hearing (7-104.2) and sets the property tax rates for the ensuing fiscal year.

Appropriations are set forth in the annual budget resolution. Authority to transfer between appropriations is dictated by City Charter; however, additional administrative budget transfer authority is granted for the following instances. The Council is requesting that the Administration submit quarterly reports of such transfers.

Wastewater Funds – the transfer residual State Revolving Fund (SRF) loan and/or bond proceeds between projects and project segments.

Flood Control – the transfer of funds for flood control and/or storm sewer purposes to address flooding or unanticipated storm sewer maintenance needs.

Major and Local Street (Act 51) Funding – Transfer authority is not limited by departmental allocation, and administrative authority is included for appropriation of MDOT special authorization funding.

Parking System – the transfer of capital project accounts from operating accounts is permitted to meet bid or unforeseen capital needs.

Debt Service Funds – the transfer of residual balances between general obligation bond debt service accounts.

Vacancy Factor – the transfer of estimated vacancy savings between general fund department personnel budgets against the budgeted vacancy factor for the proposes of insourcing contracted positions.

Vacancy Factor/funded and unfilled Positions - The budget includes an attrition vacancy allowance in each department's budget. The Administration is requested to provide Council on a quarterly basis, thereafter, a list of vacant positions by department. The Administration is requested to include in its annual report organization charts to include division and/or site, position titles, bargaining unit, classification level, status, position (FTE, PTE, Contract), and vacancy funding factor for each department but not to include individual employee names.

Any residual funds in the salary line item, that would create a new position after Council has approved this budget, Council requests being notified of changes in positions within sixty (60) days of action. This budget is being approved based on the number of employees provided by the Administration at the time of adoption.

In addition, administrative authority is granted for the transfer of wage and fringe benefit reserves to departmental budgets upon settlement of a collective bargaining agreement.

Carryforwards

Authority is granted to reappropriate available capital project and OPIOD settlement balances as of June 30, 2026 into the FY 2026/2027 budget. All non-capital balances require City Council approval to carryforward, except for encumbered (purchase order) obligations less than \$5,000 and not more than 8 months old.

- Human Services and Community Supported Agencies Funding

The plan for funding Agencies submitted to Council designates particular Agencies. If any agency does not apply for or use their funding, all funds will remain in their respective account(s) for additional appropriation and approval by Council for Human Services and Community Supported Agencies use pursuant to the Charter transfer authority. The Administration/Human Relations Community Services Department is requested to submit to Council a quarterly report on the status of the Human Services and Community Supported Agencies' funding. This report should include the accounting level detail appropriation; amount spent, balance, and a notation as to whether the balance of funds is expected to be spent by the end of the Fiscal Year; if not, why.

General Fund Reserve Policy

The City's General Fund reserves consist of the General Fund balance and the Budget Stabilization Fund. Use of and contributions to the Budget Stabilization Fund are dictated by Ordinance section 218.05.

Unspent Human Services and Community Supported Agencies funding will be considered committed fund balance for purposes of financial reporting pending additional appropriation or reallocation by City Council.

The targeted unrestricted balance for the combination of the General Fund balance and the Budget Stabilization Fund is a minimum of 12% of General Fund expenditure. If events necessitate that the combined balances drop below 12% of General Fund expenditures, a fiscal stabilization plan will be submitted to City Council to restore reserves to the 12% target in a period not to exceed 5 years.

For the purpose of revenue and expenditure thresholds in budget policies and ordinances: general fund expenditures shall be considered to exclude transfers out except when otherwise specified, and general fund revenues shall be considered to exclude transfers in and indirect cost recoveries except when otherwise specified.

Debt Management

Appropriations are made to adequately fund annual debt service obligations. Adherence will be made to required debt service reserves, where applicable, as well as to the provision of annual disclosures as required by outstanding bond obligations.

Investment Policy

Management of cash investments is governed by the City's investment policy and in accordance with State statute, with the objective being the maximization of return on the City's governmental funds through pooling of funds where appropriate and permitted, monitoring of interest rates and fee structures. Investments of the Employee Retirement System, the Police and Fire Retirement System, and the VEBA, are governed those respective boards and dictated by their respective investment policies.

Strategic Planning and Budget Development

In working toward the goal of the incorporation of strategic planning into the budget process, this next year, Administration is encouraged to work towards developing a multi-year budgeting process. This process should align the City's master plan, strategic goals, and performance metrics to short-term and long-term budget priority-setting by Council.

Civil Actions, Claims, and Damages

Whenever a claim is made or any civil action is commenced against the Mayor, a City Council member, a non-bargaining unit employee, a Lansing retirement board trustee, or a member of a City advisory board established by the City Charter or ordinance (collectively in this provision "the Employee or Officer") for damages caused by an act or acts of the Employee or Officer within the scope of his or her authority and while in the course of his or her employment with the City or while performing his or her duties on behalf of the retirement board or advisory board, the City will pay for, engage, or furnish the services of an attorney to advise the Employee or Officer as to the claim and to appear for and represent the Employees or Officers in the action. If the City Attorney does not provide the attorney services, the attorney selection shall be made by the City Attorney in the manner the City Charter requires. The City may compromise, settle, and pay a claim before or after the commencement of any civil action. Whenever any judgment for damages caused by the act or acts of the Employee or Officer covered under this provision is awarded against the Employee or Officer as the result of a civil action, the City will, to the extent not covered by insurance, indemnify the Employee or Officer or will pay, settle, or compromise the judgment. The City's obligations under this provision, however, is contingent upon the Employee or Officer giving prompt notice of the commencement of the action and upon the Employee or Officer cooperating in the preparation, defense, and settlement of the action. The terms "scope of authority" "course of employment" and "performing duties" under this provision do not include any act or acts of Employee or Officer of (i) fraud, (ii) dishonesty, (iii) willful, intentional, or deliberate violation of the law or breach of fiduciary duty, (iv) criminal act, or (v) traffic violation; nor does this provision abrogate or diminish governmental immunity of the City or the Employee or Officer. This provision does not apply to the Lansing Housing Commission nor the Board of Water and Light employees or board/commissioner members.

Grants

In order to receive timely Council consideration of the approval of any grant award, the Administration is encouraged to provide application information for any grant requiring legislative approval to Council, and, upon notification of the award of such a grant, the acceptance shall be submitted to Council with an accompanying form detailing (to extent available) the preferred referral date, grant name, the grant agency, assistance listing number (formally known as CDFA), department, contact person, beginning and end date of the grant, total amount, projected object code detail, administrative cost recovery amount, and summary of the grant purpose and allowable uses. Once accepted administrative authority is granted to create necessary accounts and transfers in accordance with the requirements of the grantor. Any grant that can be applied for administratively should be submitted for Council review within 10 days of the application.

Transparency and Accountability in Government

Council will review, and when necessary, pass policies, procedures and ordinances to achieve improved transparency and accountability with respect to economic incentives, outsourcing of service and contracting within City government.

Environmental Stewardship

The City of Lansing is concerned about its environment and strives to be a good steward of such. The City recognizes the importance of sustainability and the need to act. The City recognizes the need to reduce the City's net emissions output, increase its energy efficiency and improve its wastewater treatment and waste management programs.

Lansing Home Ownership Program for Employees (L-Hope)

L-Hope shall cover these groups: all full time and part time year round employees, whose bargaining units have agreed to participate in the program, and the following non-bargaining employee groups: Executive Management Group, Non-Bargaining Group, Mayoral Staff, District Court employees, and the City Council Staff employees, and shall continue as funded.
