Approval of Lansing Gateway CIA Meeting Minutes (March 18th, 2026)– Action

Motion: Van Arkle

Support: Crank

Passed unanimously

Update on the Design Project:

Washington gave the board an update, recapping the call with the design firm held last month. The proposals included increasing biking and transportation options along the corridor. The board will be updated next month on the consultants' progress.

Update on LEDC and CIAs Service Agreement

Washington shared with the board the administrative support LEDC is providing to all CIA's that is within the service agreement. The official agreement will be given next month.

Other Business:

Washington updated the board on new projects taking places along the corridor with businesses owners and has recommended the façade improvement program. Washington is working on a vacancy inventory for all CIA's.

A handwritten signature in black ink, appearing to read 'Robert Benstein', is written over a horizontal line. To the left of the signature, there is a small 'x' mark.
