II. BOARD MEETING MINUTES

A. May 13th, 2026 Postponed for the July meeting

III. NEW BUSINESS

A. BMX Grant Starting Gate Ramp – Amy Dyer – This is a grant application for a piece of equipment that would control the gate, keep time, and provide safety for the riders. This would be used for every race. This track is very popular and the rider count has doubled from last year. They have also recently started Friday Night Races for the Summer. The current gate is not working sometimes and is not keeping time so needs to be replaced. The board will review this application at our July meeting.

IV. STATEMENTS OF CITIZENS

Phil Booth – Had a cleanup at St Joe Park, had a Flea Market on Saturday and getting ready for the Juneteenth celebration.

Ana Henriques - asked for more trashcans at the St Joe Park by the basketball courts. There are cars driving through the park by the baseball diamond, and there was a discussion on park design and the director confirmed that if there are vehicles spotted driving through the park to contact LPD. Ana also asked about how best to convey requests for St Joe park to the board. The director confirmed that we can add a trashcan by the basketball courts. The director also confirmed that he will be checking on the status of the benches that have been ordered for St Joe Park. There was a discussion about trees being made available for trees for planting in the Fall.

Mike Mercer – Asked about the land west of Waverly and north of the Consumers Power Lines. There is a grant to extend the trail on this 33 acre parcel.

Don Dean – On July 8th there will be a concert at Bankroft Park and there is a picnic on July 18th and there will be a showing of Monsters Inc at Bankroft Park.

Dawn Glossop - confirmed that Scribbles and Giggles has sold to another day care provider and talked about the green space next to that business.

V. OLD BUSINESS

A. Fenner Docks and Restrooms – We have had significant problems with the restrooms at Fenner during festivals inside of the welcome center. There was a problem discovered in the septic system. The parking lot is under construction.
