## 404.01. - Adoption of the UTC.

For the purpose of supplementing the regulations contained in the MVC, the Uniform Traffic Code for Cities, Townships, and Villages, promulgated by the Michigan State Police in 2003 ("UTC"), 2009 AC, R 28.1001 et seq., copies of which are available in the City Clerk's Office, is adopted by reference, as though set forth herein in full, with the following additions and alterations:

- (a) Where the UTC uses "this Governmental Unit" or "the Governmental Unit," it shall mean "the City."
- (b) Where the UTC uses "the ordinance making body," it shall mean "council."
- (c) Subsection (1) of Rule 125 shall read: The Office of Traffic Engineer is hereby established. The Traffic Engineer shall exercise the powers and duties of the office in a manner that is consistent with prevailing traffic engineering and safety practices and in the best interests of the City. If a traffic engineer is not appointed, then the authority of the traffic engineer shall be vested in the Director of Public Service or his or her designee.
- (d) The following language is added to the end of Rule 140: The fee for such a permit shall be established by council resolution.
- (e) The following language is added to the end of Rule 141: The operating hours for all metered parking in the Lansing Municipal Parking System are 8:00 a.m. through 6:00 p.m., Monday through Friday.
- (f) The following language is added after Rule 151:
  - (1) The Traffic Engineer or his or her designee may establish truck routes within the City and designate which of the truck routes are subject to springtime restrictions. The Traffic Engineer shall maintain and make available, for a fee established by council resolution, maps displaying the truck routes and indicating which of the truck routes are subject to springtime restrictions.
  - (2) No person shall operate a truck on a street not designated as part of a truck route, except for either of the following purposes:
    - (A) Travelling directly from a truck route to a destination where freight is being picked up or delivered, or
    - (B) Travelling directly to a truck route from a point of origin.
- (g) The following language is added to the end of Rule 153:

All permanent traffic control orders in effect on the effective date of this ordinance and not inconsistent with the provisions of this ordinance shall remain in effect until rescinded or modified by traffic control order.
- (h) The following language is added to the end of Rules 155 and 156: The fees for these permits shall be set by council resolution.

- (i) The following language is added after Rule 618:
- (1) The Police Department may impound any bicycle from a public way or public property when it is (A) improperly parked and creating a hazard or (B) abandoned.
  - (2) Upon impounding a bicycle, the Police Department shall give notice to the owner in any manner reasonably calculated to inform the owner that the bicycle was impounded and how to retrieve the bicycle. Unless a manner more likely to notify the owner is available, notice may be given in the form of a newspaper announcement or posting on the Police Department's website describing the provisions of this subsection.
  - (3) Upon payment of any storage fees incurred by the City, the bicycle shall be returned to its owner.
  - (4) Any bicycle not claimed within six months of its impoundment may be donated, upon approval by council, to a State licensed charitable organization.
  - (5) State licensed charitable organizations may apply to participate in the City's bicycle donation program by submitting the following to the City Clerk: (A) Proof of State licensure as a charitable organization; (B) A mission statement or other description of the organization's purpose; (C) A description of the intended use of the bicycles, including any method and eligibility criteria for distribution; (D) An agreement to indemnify and hold harmless the City for any damages resulting from donation of the bicycles; and (E) An agreement to provide, upon request, a list of the names and addresses of any recipients of the bicycles. The City Clerk shall submit any such applications to council for referral to the appropriate committee.
  - (6) The City will attempt to donate bicycles on a rotating basis to all approved organizations in roughly equal numbers. Donated bicycles must be picked up from the quartermaster unit by the recipient organization. Any donated bicycles that are not picked up by the recipient organization may be donated to another approved organization in the discretion of the quartermaster unit.

- (j) The following language is added after Rule 822:

No person shall park any vehicle on either side of any street between 2:00 a.m. and 5:00 a.m. of any day.

- (k) The following language is added after Rule 822:

- (1) No detached trailer shall be parked in any street or alley.
- (2) No truck with three or more axles on the power unit shall be parked in any street for more than one hour.
- (3) No vehicle shall project more than 20 feet from the curb when parked.
