RESOLUTION – Public Improvement V – Assessment Roll B-095 for 2015 Sidewalk Repair
Mr. Whisler stated that the 2015 program had 6 area; Glasgow, Christine, Inverary, Brisbane, Oban and Sunderland, in which they did a mixed of a Pilot project of grinding the sidewalks and cutting the sidewalks. The residents liked the cutting results better so the cutting contractor redid the areas that were ground for no cost. In addition there was a recent project that went out to bid, and that same cutting contractor was the only one to bid. This will project will be areas determined by the site inspector. There will be no Pilot program with this portion of the project, and it will only be cutting.
