MOTION BY COUNCIL MEMBER GARZA TO APPROVE THE MINUTES FROM JANUARY 30, 2018 AS PRESENTED. MOTION CARRIED 2-0.

Discussion/Action:

RESOLUTION-Introduction and Set Public Hearing; Ordinance to Amend Chapter 656.05; Park Hours

Mr. Kaschinske recapped for the Committee that currently the park hours are dawn to 10 p.m. but the amendment will make it specific to close from dusk to dawn. The amendment also speaks to a provision with parks with lighted fields and the ability to post a later time for special events. This will apply to any park in the City, includes those parks that are not City parks but are located in the City limits. It was confirmed that the Parks Board had no objections.

MOTION BY COUNCIL MEMBER GARZA TO APPROVE THE RESOLUTION TO SET THE PUBLIC HEARING FOR THE ORDINANCE TO AMEND CHAPTER 656.05 FOR MARCH 12TH. MOTION CARRIED 2-0.

DISCUSSION -Ordinance on Lower Bidder Preference –Chapter 206

Council Member Garza referenced the email in the packet from Ms. O'Boyle on the bidder preference ordinance that is in effect. According to Law, he read, under Section 206.03, items less than \$15,000 can be sole source and anything above and under \$500,000 have sealed bids. Ms. O'Boyle added to the discussion that there is local preference, and if the local bidder comes in second to the lowest bid, the City can go to the local bidder to match the lowest bid.

Council Staff Member Boak referred the Committee to (a) in the email which stated "any Lansing-based business with a bid within a specified percentage of the lowest bid that has been deemed responsive and responsible under the purchasing ordinance shall be deemed the lowest bidder if they agree to match the lowest bidder." The Committee asked what that percentage was, and Ms. O'Boyle was not positive but believed it was 5%. Council Member Spadafore asked Ms. Boak to research for the resolution that set that percentage per the ordinance stated in the email "The percentage difference shall be established by Council resolution and may be revised from time to time as Council deems appropriate." This information can be sent to the Committee.

Public Service Needs Assessment Study

Mr. Kilpatrick distributed a handout that outlined the projects for the last 3 years, their cost and length of project. It also included a map which depicted those projects and is a map on the website where any person can search the projects in their area. Lastly, the document included a graph which showed the portion of projects that were capital projects, operating, and a debt. The department tracks the projects by calendar year because that is the construction year. It is difficult to do it fiscal year because the fiscal year start and end falls in the middle of construction season. With ACT 51, the millage was transferred into the street portion of the ACT 51 and makes it difficult to track. Mr. Kilpatrick quickly referenced for the Committee that \$2.6 million was spent in 2017, \$4.4 million in 2016 and \$1.8 million in 2015 on projects. Federal funds can reflect the project amount because the funds come from MDOT via the Federal government. Through Tri-County, MDOT administers and pays the bills, and then the City pays the construction match, engineering and any ineligible pieces that do not qualify. The department plans to begin dedicated project lines in the budget starting in 2019 budget for better tracking. This will allow anyone to see where all the millage funds went. Regarding the ACT 51 funds, Mr. Kilpatrick expects the City to get an additional \$2 million this coming year. This amount he noted is still not enough to address keeping up on the streets, they would need to spend \$20 million per year. Mr. Kilpatrick did explain that when they look at streets, there is a standard rating scale (1 being gravel and 10 being new). Currently the City streets are in "poor" rating of 6. Major streets are better than local streets, and major streets are funded at an acceptable level, so they can transfer funds annually between major and local.

Council Member Spadafore asked where the millage funds were spent, or if there was no way to determine that based on the tracking that was done in the past. Mr. Kilpatrick agreed it would be assumptions, but they can show capital work and the estimate would be an assumption. Again he reiterated that going forward all millage projects will have their own line item. Council Member Garza asked if the project information was on the City website. Mr. Kilpatrick confirmed that the residents can see the map for 2018 and click on the projects to find out the details, and they are working on making previous years "live" on the map.

Council Member Spadafore asked Mr. Kilpatrick for options for future discussions on streets and funding. Mr. Kilpatrick agreed that there needed to be more priorities, and with the loss in revenue sharing has been \$100 million over the last 10 years. He was also open to any suggestions, noting the Mayor will be proposing infrastructure summits in the neighborhoods.

DRAFT MINUTES

Council Staff Member Boak informed that during this meeting an email came from the Mayor's office on that subject and the summits will occur on:

March 6th – 6:00 – 7:30 at Foster Community Center

March 19th – 6:00-7:30 at Letts Community Center

April 10th – 6:00 – 7:30 at Sycamore Creek Church

May 1 – 6:00- 7:30 at Schmidt Southside Community Center

Other

Council Member Garza forwarded a complaint to Mr. Kilpatrick regarding water coming up into the floor drains at the residence at 551 West Rouse. Mr. Kilpatrick took note and stated he would have his department check on the situation in the area.

Council Member Spadafore asked Mr. Kilpatrick for the best avenue for Council Members to forward complaints, and so they and the owners can also be updated. Mr. Kilpatrick recommended the Lansing Connect program, which put the complaint straight into the work order system and generates an update to the person who entered it. He admitted he was not aware if an update could be sent to multiple people but would check on that programming. Mr. Kilpatrick added that if the person does not have a computer they can call 483-4161 is a 24/7.

Council Member Garza asked who handles the inspections on utility services. Mr. Kilpatrick answered the question, confirming it was done from the house to the main by Public Service and they are currently working with Building Safety on the best steps because of the changes to the plumbing code. Until it is resolved Public Service will inspect from the house to the main, and Building Safety will inspect inside the house.

Ms. Miles informed the Committee that Colonial Village still experiences flooding and the best person to speak to would be Mike Muraskey.

Council Member Spadafore noted the next meeting would be March 6th and the agenda will include an update on Ormond Park.

ADJOURN

The meeting was adjourned at 4:34 p.m.

BY THE COMMITTEE ON PUBLIC SERVICE
RESOLVED BY THE CITY COUNCIL OF THE CITY OF LANSING

GLENBURNE ASSESSMENT ROLL GB-2017

WHEREAS, pursuant to **Chapter 1020.06**, Grass and Trash abatement, adopted by this Council, the City Assessor has completed the assessment roll for removal of grass and or trash in the Glenburne Commons area in the City of Lansing

WHEREAS, the owners of these properties were given proper notice in accordance with Chapter 1020.06(c) (1) to remove grass and trash from the commons area of the Glenburne Commons.

WHEREAS, the City incurred costs for the removal of grass and trash, which it is required to recover in accordance with Chapter 1020.06(c)(2).

WHEREAS, pursuant to Chapter 1020.06, the fees for those costs were adopted by Council.

WHEREAS, those costs incurred between April 25, 2017 and November 6, 2017, by the City total \$34,256.50.

NOW, THEREFORE, BE IT RESOLVED the Lansing City Council will hold a public hearing on _____, in the Council Chambers, to review, prior to confirmation, said assessment roll; and

BE IT FURTHER RESOLVED, that the City Clerk is hereby requested to give due notice of this public hearing as provided by Chapter 1026, Section 1026.06(b) and (c), of the Code of Ordinances by publishing a notice of a public hearing in a daily newspaper of the City, not more than twenty days and not less than ten days before such public hearing. In addition, the Clerk shall give notice of hearings in special assessment proceedings to each owner of, or party in interest in, property to be assessed, whose name appears upon the last local tax assessment records, by first class mail addressed to such owner or party at the address shown on the tax records, at least ten days before the date of such hearing. Said notices shall include the time and place of the hearing; a description of the properties determined by the Director of Public Service to have violated Chapter 1020.06 which are contained in the special assessment roll; where the special assessment roll is on file with the City Clerk and may be examined at the City Clerk's office;

BE IT FURTHER RESOLVED, that any person aggrieved by the assessments as contained in the special assessment roll, or the necessity of the removal of grass and trash, may file a written objection thereto which must be delivered to the City Clerk prior to the close of the hearing, or the person may appear and protest the same at the public hearing in person or by his or her representative; that the appearance and protest or written protest in the manner described is required if the person desires to appeal the amount of the assessment to the Michigan Tax Tribunal;

BE IT FINALLY RESOLVED, that pursuant to the requirement of 1962 PA 162, as amended, a written appeal of the Special Assessment may be made to the Michigan Tax Tribunal, 611 West Ottawa St., P.O. Box 30232, Lansing, MI 48909; if filed within thirty days after confirmation of the special assessment roll and if the Special Assessment was protested at this hearing.

RESOLUTION – Setting of a Public Hearing; Glenburne Commons Annual Maintenance

The Committee reviewed the resolution based on the meeting which set the public hearing, corrected the timeline to reflect a calendar year instead of July 2016 to July 2017, and spoke to an earlier survey, which was addressed by Law by stating that the 2016 resolution did not make the survey mandatory. It was noted that at the March 3rd meeting it was determined if a survey was done and was not paid for, there was no active association to invoice currently.

MOTION BY COUNCIL MEMBER HOUGHTON TO SET THE PUBLIC HEARING FOR MARCH 27TH FOR THE GLENBURNE COMMONS ANNUAL MAINTENANCE.

The Committee then discussed costs for administration fees. The resolution was corrected to add the word "estimated" to the third "Be It Further Resolved".

MOTION BY COUNCIL MEMBER HOUGHTON TO AMEND HER PREVIOUS MOTION TO INCLUDE THE ADDITIONAL LANGUAGE OF "ESTIMATED" IN THE THIRD "BE IT FURTHER RESOLVED". MOTION CARRIED 3-0.

LEGISLATIVE MATTERS

REFERRAL OF PUBLIC HEARINGS

RESOLUTION #2016-202

**BY THE COMMITTEE ON PUBLIC SERVICES
RESOLVED BY THE CITY COUNCIL OF THE CITY OF LANSING**

WHEREAS, each property owner in the Glenburne Subdivision, by accepting a deed to property within the Subdivision, is, per the Declarations of Covenants, Conditions and Restrictions filed with Eaton County by the developer, Francis M. Fine, a member of the Glenburne Subdivision Association; and

WHEREAS, per the Declarations, members of the Association jointly own and are collectively responsible for the maintenance of an 11 acre green space within the Subdivision, known as Glenburne Commons; and

WHEREAS, there is no longer an internal assessment mechanism in place for the Association to collect fees from members for maintenance of the Commons; and

WHEREAS, the City of Lansing through its Code Compliance office has determined the current state of the Commons requires immediate abatement in order to:

- a. eliminate hazards to health and safety, such as infection or infestation caused by rodents or mosquitoes breeding in tall grass**
- b. keep grass within a reasonable height with respect to the surrounding neighborhood and homes to which it relates;**
- c. facilitate the enjoyment of this commons area and its environment by its owners**
- d. protect the public from possible injury that may result from obstructions caused by overgrown grass**
- e. prevent the devaluation of surrounding properties by maintaining the safety and appearance of the common areas**
- f. provide for the orderly and harmonious development of the community;**
- g. promote traffic and pedestrian safety,**
- h. protect and promote the aesthetic quality of life within the City; and**

WHEREAS, the City Council Public Service Committee has considered options for maintenance; and

WHEREAS, the City of Lansing has established the need for a special assessment district that includes all properties encompassed by the Association for the purpose of financing the mowing and maintenance of the Commons; and

WHEREAS, the City of Lansing intends to determine the estimated cost of providing such services should be covered by a special assessment against those properties especially benefited as authorized by Public Act No. 59 of 1978, as amended, and Chapter 1026 of the Lansing Code of Ordinances; and

RESOLUTION #2016-202

WHEREAS, the City of Lansing has reviewed the proposed special assessment boundaries, the services proposed within those boundaries.

NOW THEREFORE BE IT RESOLVED, that the City Council hereby determines it to be a public necessity to mow and maintain the Glenburne Commons and hereby establishes the Glenburne Commons special assessment which includes all of the parcels within these areas:

Glenburne Subdivision

Glenburne Subdivision No. 2

Glenburne Subdivision No. 3

Glenburne Subdivision No. 4

Glenburne Subdivision No. 5

Part of the North 2 and South East ¼ of Section 36, T4N, R3W

City of Lansing, Eaton County, Michigan

BE IT FURTHER RESOLVED, that annual cost of mowing and maintenance of Glenburne Commons will be supported and financed by a 10 year special assessment against the properties in the special assessment district, which includes all parcels covered by the Declarations of Covenants, Conditions and Restrictions of the Glenburne Subdivision.

BE IT FURTHER RESOLVED, the special assessment shall include all direct costs for mowing and trash removal, as well as indirect costs for determining estimates, preparing of the assessment and the roll, and providing notices and that the assessment will be reviewed and adjusted annually, based on actual costs to provide service.

BE IT FURTHER RESOLVED, the initial annual assessment, for the period of July, 2016 through June, 2017, includes a one-time cost for surveying the property lines and boundaries of the Commons.

BE IT FINALLY RESOLVED, that the Office of Code Compliance is hereby authorized to prepare the necessary cost estimates for special assessment as contained in this resolution and determine the cost of said project in sufficient detail to establish the special assessment district for a 10 year period commencing 2016; and the applicable assessment to the properties in the district, and to furnish said information to the Mayor and City Council.

What We Want You to Remember About the Ormond Park Road

1. **Information Roadblock.** There has been a chronic lack of information about the Ormond Park Road, including the true and full cost of the road. It is a violation of the city charter to withhold this information from the City Council. We all heard Brett Kaschinske on 2/26/18 state that there are NO funds for a play space in 2018.
2. **Cost of road to Lansing taxpayers.** The road is likely costing taxpayers far more than the \$385,000 stated by Mr. Kaschinske to the Ways and Means Committee, or the \$424,000 stated by Former Mayor Bernero in an interview with the Lansing State Journal. At 75 feet wide, the road is wider than was presented. Considerable excavation has occurred to grade the road and build an extensive drainage project in the park. Curbs, concrete spillways, rock berms, storm sewers, and side ditches have been built. This extensive drainage system has claimed a great deal more of the park than the "narrow drive" the city said it was building. The Drain Commissioner also confirmed that he was *never* consulted on this drainage project. ***In fact, we are concerned that every aspect of the construction of a road through Ormond Park has been veiled in lies, omissions, and misdirection.***
3. **Purpose of the road.** There has been virtually no public promotion of Groesbeck Golf Course, and so the former mayor's assertion that he wanted to build a new road to increase use is suspect. We believe the road was built to serve a future for-profit development on or near the golf course, providing developers, and perhaps former public officials, an opportunity for personal profit at taxpayer expense.
4. **Problem for pedestrians.** The wide entrance to the road from Grand River Avenue is located on a curve immediately adjacent to speedy M-43 (Oakland Ave), requiring *immediate* deceleration by drivers.
 - a. Children going to any of four schools from our neighborhood already face a daunting task in getting to school. There is no marked pedestrian crosswalk on Oakland or Grand River Avenues. Cars tend to move considerably over the speed limit of 25 mph around that curve. Children will now be at increased risk, and there is also increased risk of rear-end collisions.
 - b. The city has not done a traffic study. This one route through Ormond Park is replacing three routes, even while the city says it wants to increase golf attendance. Even a small golf outing of 15 foursomes would likely involve 45 cars travelling on a single road, creating congestion and danger for pedestrians and cars on Grand River, M-43, and the Ormond Park road itself.

What We Need to Know About the Ormond Park Road and the Use of Park Funds

1. What has the Ormond Park Road cost the taxpayers of the City of Lansing, to date?
2. What expenses still need to be incurred in order to complete the project?
3. Do concrete plans for a play space exist? If not, why not? If yes, why were these not budgeted for in 2018?
4. What are the City's active plans, or future intentions, regarding capital improvements and uses of the Groesbeck Golf Course?
5. The Park Millage Fund was approved by the voters of Lansing in 2005 for the purpose of operating, maintaining, and providing capital improvements to the City's Parks and Recreation System.
 - a. How much funding has the Park Millage collected to date?
 - b. What uses has the Park Millage been put to, to date?

What Friends of Ormond Park Want

1. **Conduct an audit of the Park Millage Fund** since 2005, which was created for the purpose of operating, maintaining, and providing capital improvements to the City's Parks and Recreation System.
2. **Protect our park land through a Charter Amendment.** Make it impossible for any more park land to be lost to any other purposes. Do not allow any other city leaders to grab land that should be preserved for public enjoyment. Jody Washington brought language to a COW meeting in July 2017, and made a specific recommendation. Get back on board with that!
3. **Restore Ormond Park** for the children and families of the Ormond Park neighborhood. Create a committee to plan the restoration that includes representatives of the neighborhood and Friends of Ormond Park. Preserve Groesbeck, Bancroft, Ormond and Porter Parks for future generations.
4. **Remove the Ethics Board from the oversight of the City Attorney's Office.** Citizens need an independent Ethics Board to which they can bring complaints about unethical conduct.
5. **Bring the management of Groesbeck Golf Course back under the Parks and Recreation Department,** and return it to its intended use to provide AFFORDABLE golf to residents. If that is not financially feasible, discontinue its use as a golf course and develop it as a multi-use park, not an entertainment property.
6. **Restore the status of the Park Board to make recommendations that are considered seriously by the Mayor.** Restore the positive relationship between the Park Board and the Mayor's Office.
