Other

FY2019/2020 Budget Policies and Priorities

Council Member Spadafore distributed his recommendations and also read Council Member Garza's recommendations:

Public Services Committee:

I would like to see under Public Services priorities, to budget street sweeping once a month. I would also like to see sidewalks, curbs and gutters to be constructed in neighborhoods where there is little to no drainage. I know we are currently in the process of hiring more code enforcement officers, I really would like to see a dedicated 2nd Ward Premise inspector.

Public Safety Committee:

I would like to see under Public Safety priorities, a 2nd Ward Community Police officer. Under policies I would like to make it a prerequisite that before appointment to the Lansing Police Commission one must complete the Citizens Police Academy.

Council Member Spadafore noted the majority of his changes were to formatting for clarity purposes, but he did make one recommendation on page 1, h) which was "The City should analyze systems and technology for efficiencies and opportunities for improvement." He further stated this would be to investigate technology programs that could be incorporated into the current City programs such as taxes and Lansing Connect, to allow better tracking and response. Council Member Washington had no recommendations at this time and stated she would provide her own at the Committee of the Whole meeting.

Council Member Spadafore canceled the September 18th meeting and rescheduled it for September 24th @ 5:00 p.m. where the only agenda item will be the Ordinance that will be holds its public hearing on September 10th on the Residential Parking Zones.
