DRAFT

Mr. Keith was asked for an update on the 2018 year at Groesbeck Golf Course. Mr. Keith outlined the details that they reduced the operating support by \$60,000 and anticipate reducing it. They had initially set the goals to increase the number of rounds, not to increase rates, reduce expenses, and improve customer experience. Their goal of more rounds was exceeded in comparison to 2015 when it was a 18 hole course; raising from 17,000 to 21,500 for 18 holes. They increased the leagues from seventeen (17) to twenty (20) and anticipate it to be at 22 in 2019. They had two (2) outings in 2018 and hope to have four (4) in 2019. Their Friday golf specials increased by 25%, their season passes went from four (4) to twelve (12) and those all committed for 2019. They have decreased comp rounds by 300%, secured Lansing Catholic Boys and Girls Golf teams as their home course, and added hosting two (2) high school tournaments. The course food revenue was anticipated at \$432,000 revenue and they hope to exceed to 483,000. They have renegotiate their three (3) year cart lease, paid it in the first year, and are down 30%. Mr. Keith concluded with the plans for the 2019 season which will include a new indoor simulator for year-long golf, continued online tee reservations, on course restroom improvements, covered deck on the course, increased safety in pace of play, and goals of increased season passes and leagues.

ORDINANCE - Amendment; Chapter 872, Section 872-01 to 872-07; Licensing and Regulations for Dockless Electric Scooter Companies

Council Member Spadafore asked what the Committee desire was on moving on the ordinance based on the recent hearing and letters from current vendors. The consensus of the Committee was to act on it in 2019.
