Councilmember Hussain asked if the dates need adjusting for Public Hearing to accommodate DPS. Alec Maltevis stated that the work is for later in the season so we do need to revise the dates. Councilmember Spadafore stated that an Amendment for the Public hearing on May 10 and they could begin work by the 22nd.

MOTION BY COUNCILMEMBER SPADAFORE TO APPROVE RESOLUTION – SET PUBLIC HEARING; NOISE SPECIAL PERMIT; HOFFMAN BROS., INC. REQUEST TO ALLOW FOR COMBINED SEWER OVERFLOW AND TRUNK SEWER PROJECT ALONG NORTH GRAND RIVER AVENUE ON SUNDAYS FROM 8AM – 5PM FROM MAY 8 THROUGH OCTOBER 30, 2021. ROLL CALL VOTE, MOTION CARRIED 3-0.

RESOLUTION – City Charter Amendment, Rank Choice Voting for City Elections

Councilmember Dunbar asked if there was any public comment.

Hugh McNichol stated he was in support of the Resolution.

Jim DeLine commended the Committee in doing due diligence on this and the importance of this and when this resolution doesn't ask if you are in favor of Ranked Choice Voting or not. It puts it in front of the voters.

Councilmember Spadafore added that he had conversations with the City Clerk and he dissuaded all his concerns with feasibility and filing deadlines and is in support of moving forward.

Councilmember Hussain commented that he was not in attendance at the last meeting but read the minutes and asked if it is conceivable that the first election in November that we could have winners in that vote. Councilmember Spadafore indicated it is set for November 2022. Councilmember Hussain asked so does that do away with primary if we don't have election equipment. Councilmember Spadafore and Clerk Swope both stated it's their understanding that yes our election equipment can handle it. Councilmember Hussain asked in regards to more than one open seat or at-large how does that work or is it a formality. Clerk Swope said that majority is his understanding and that a different percentage with two people because you could have a situation where someone doesn't reach 50%. Councilmember Hussain said for him public information needs to go out and will this Committee discharge to COW and have a presentation as we are talking about a Charter change. Councilmember Dunbar stated she spoke with Clerk Swope and got a better understanding on how votes are divided when you don't reach 50% and that helped. Councilmember Spadafore told the Committee that Council has a full Agenda on Monday 4/26 so it won't be on that and Councilmember Dunbar asked to discharge to COW.

Jim Smiertka stated that we have an election committee under the Charter, City Attorney and City Clerk so if issues arise we have the ability to look at it.

MOTION BY COUNCILMEMBER SPADAFORE TO APPROVE THE RESOLUTION TO AMENDEND THE CITY CHARTER RANK CHOICE VOTING FOR CITY ELECTIONS. ROLL CALL VOTE, MOTION CARRIED 3-0.

DISCUSSION – Social Districts

Councilmember Dunbar asked for Lisa Hagen to let the Committee know what she learned from Grand Rapids.

Lisa Hagen explained a couple important points from the last meeting is first being the Common Areas don't have to be enclosed spaces as we were envisioning so they can stretch further and we don't have to have physical barriers. We can mark boundaries with stickers and signage. Another thing, the qualified entities (at least two) need to be touch the Common Area. Since the entities are touching the CA and customers are going from the bar to the Common Area it is legal to be carrying the alcohol. We have Cathleen Edgerly from Downtown Lansing Inc. (DLI) here and she has worked hard in the last two weeks with a proposed district.

Councilmember Spadafore said he wanted to commend Cathleen, Scott Ellis, Old Town, REO Town and Lisa that they have done phenomenal work to get this done. He said he could share his screen while Cathleen speaks and this will be a huge win for business and residents.

Cathleen Edgerley explained what the Committee was looking at on the screen of an overview of the proposed Social District and without the passing of this businesses may not make it through the current pandemic. The Social District and Common Areas are not meant to be to encourage or allowing problems or partying but designed to be inclusive with our small businesses and support them while keeping residents and customers in mind. While DLI is willing to be a point person for questions and applications Ryan and Ben from Old Town and REO Town are here too.

Councilmember Dunbar indicated she notices that there is nothing on Michigan Avenue and is that something we can add later. Councilmember Spadafore said the problem with that is Michigan Ave. has some state lines that present challenges we think we can overcome. Some Common Areas everyone was envisioning are private spaces so trying to work through that and that's why it isn't on the DLI territory map and not to delay it any longer we wanted to get this up and running.

Councilmember Asked for any public comment.

Scott Ellis stated he is the Director of Michigan Licensing Beverage Association and a business owner. He has helped other cities including Grand Rapids and Kalamazoo and are excited to see this happening in Lansing and more than ever we need this to get people back here. He stated to be clear that MLCC still has control for each licensee and we want to get it right.

Ben Dowd voiced his support and is excited for visitors to experience the district and being able to walk about after dinner in the Common Areas and see all the other businesses and that Old Town is on board.

Dave Sell from Tin Can, Dukes Saloon and The Exchange commented that we need this as a lifeline and have to establish ourselves all over again. I have a bar in Grand Rapids, Kalamazoo and Toledo, OH and this has been wildly successful, this is a homerun for the city.

Hannah from LEAP voiced her support and thanked the Committee.

Roxanne – thanked Scott Ellis, Cathleen Edgerly and Councilmember Dunbar as being a bar owner for 10 years and was planning a week long party to celebrate in March 2020 and then hit with the pandemic and had to cancel everything. This is so important to us and this is for us to make it or not make it, we love being here.

Callie Mykut – stated her and her business partner Corey are co-owners of The Grid Arcade and Bar in Old Town and wanted to say thank you and give their support and said and the benefit in doing this will be for several years to come.

Dylan Rogers of The Robin Theatre said as a representative in REO Town and a non-bar owner he supports this and it's a great idea.

Councilmember Spadafore indicated when this got started thought it'd be easy. We can approve the resolution today setting the boundaries for the Social District referenced in the overview I shared. Once it goes to Council it then goes to MLCC and they take over from there.

MOTION BY COUNCILMEMBER SPADAFORE TO APPROVE THE RESOLUTION TO AMEND CHAPTER 608; TO ALLOW CONSUMPTION OF ALCOHOL IN SOCIAL DISTRICTS. ROLL CALL VOTE, MOTION CARRIED 3-0.

DISCUSSION – Frances Park

Councilmember Dunbar indicated the idea behind this Ordinance is for alcohol to be served and sold in Frances Park during special events and only in certain locations.

Councilmember Spadafore asked to comment and that he's talked to a few neighbors as he lives in the area and wanted to stress that this is not a carte blanche thing, you must have a permit and we've talked to the Parks Department and there are three distinct areas you can rent, the Pavillon, Rose Garden and Overlook and thought it best to rent all three with the special permit and came into this on a revenue generating perspective. He has heard people that want these three areas because they are beautiful but have to go elsewhere because they can't have alcohol.

Public Comment –

Kathleen Rogers stated she lives on Canterbury Place and her concern is opening it up to alcohol being served and people not staying within the boundaries and asked who monitors the event, who cleans up and how many events are allowed per year and if the public is allowed to use the park during these events and what about traffic control and asked is it available for the neighborhood, this park can get pretty busy on the weekends and holidays if people go and want to take a picture at the overlook or Rose Garden and walk around can they or are they not allowed access.

Brett Kaschinske from Parks and Recs said the grounds are open to the public but during an event they are not allowed in that area. As far as traffic control we have caretakers and rangers that monitor, the park is open 7 days a week from May-October and gets popular on the weekends and holidays. If a ranger doesn't achieve the results needed we then go to LPD.

Judith Filice thanked Councilmember Dunbar for informing friends of Frances Park about this meeting. This park is surrounded by three active neighborhoods and we love our park. If she understands correct if one were to rent in the park one would have to rent all three facilities or separately. Many find the Pavilion ok but the Overlook and Rose Garden we want the public to have access to those and would like to know what the Park Board discussion was.

Brett explained that this was brought up by Council and not the Park Board.

Charles Filice spoke about his support but would like to see it confined to the Pavilion only as the control to contain could have people walking to the road and Frances Park is tremendously family oriented. This would reduce any problems, additional cleanup cost or damage to the roses. He went on to say the idea that people are going to stay within the area is presumptuous. Also, in the Ordinance it states "sell, consumer or possess" and I don't think we want vendors selling booze. Consumption and possession yes but selling can create more problems and hope an analysis is being done on the cost generated by doing this.

Councilmember Spadafore stated his appreciation on all the points and the reason for renting all three limited the concern for competing events. If we limit to just the Pavilion he is supportive of that.

Councilmember Dunbar asked Brett if there are different charges and fees. Brett explained yes there are because you can rent half of or the full Pavilion. Someone could rent the Rose Garden for a wedding ceremony and then have the reception in the Pavilion so renting both. We have not set fees for this yet. A lot of the times there is someone working concession and that person will already have a liquor license that can sell. Councilmember Hussain asked Brett if he sees any consequences with this. Brett stated we've had issues before where there has been a reunion and someone has brought out alcohol anyways. Policing the event and informing them of the rules it can become difficult for the Park staff. We aren't anticipating needing extra staff.

Councilmember Dunbar stated she asked Council Clerk Renee Richmond to invite the Park Board to the meeting on Monday for input and Councilmember Hussain requested Chief Green be invited as well for additional input.

Councilmember Spadafore asked Brett about park hours and do they change, does it still close at 9pm or dusk. Brett stated yes 9pm but there are times when it's not dark by then and if someone wanted to pay the extra fee to stay longer that is something we would look at.

Kathleen Rogers asked if they happened to find out how many events during the year. Brett stated that in 2019 the Pavilion was \$116,000 and the Rose Garden and Overlook were at \$25,000. Councilmember Dunbar asked Brett if he know how many on weekends versus weekdays and Brett stated that would take a little more than five minutes but will look into it.
