RESOLUTION – Redevelopment Area Liquor License for Hooked Community at 3124 E Michigan Ave., Suite F.

Mr. Klein along with applicant were present to answer questions. Mr. Klein spoke briefly on the redevelopment district that was approved at the Committee on Development and Planning, and therefore they are now looking to establish redevelopment area liquor licenses restricted to this location. The licenses are non-quota and go through the Michigan Liquor Control Commission making this non-transferrable and must stay at that address. It cannot be sold or moved into the market, unless for this location. With every \$50 million of investment they can have another license.

Notice: When purchasing a license, a buyer can be held liable for tax debts incurred by the previous owner. Prior to committing to the purchase of any license or establishment, the buyer should request a tax clearance certificate from the seller that indicates that all taxes have been paid up to the date of issuance. Obtaining sound professional assistance from an attorney or accountant can be helpful to identify and avoid any pitfalls and hidden liabilities when buying even a portion of a business. Sellers can make a request for the tax clearance certificate through the Michigan Department of Treasury.

Under administrative rule R 436.1003, the licensee shall comply with all state and local building, plumbing, zoning, sanitation, and health laws, rules, and ordinances as determined by the state and local law enforcements officials who have jurisdiction over the licensee. Approval of this application by the Michigan Liquor Control Commission does not waive any of these requirements. The licensee must obtain all other required state and local licenses, permits, and approvals for this business before using this license for the sale of alcoholic liquor on the licensed premises.

I certify that the information contained in this form is true and accurate to the best of my knowledge and belief. I agree to comply with all requirements of the Michigan Liquor Control Code and Administrative Rules. I also understand that providing false or fraudulent information is a violation of the Liquor Control Code pursuant to MCL 436.2003.

The person signing this form has demonstrated that they have authorization to do so and have attached appropriate documentation as proof.

You should not apply for an on-premises Redevelopment or Development District license if there is an available quota license in the local governmental unit in which the proposed licensed business will be located. You may verify the availability of quota licenses on the Commission's website using the [Local Government Quota search page](#).

☒ I verify that I have attempted to purchase any readily available on-premises escrowed licenses that do not have pending transfers on file with the MLCC in the county where the proposed licensed business will be located. • Applicant should provide a notarized affidavit outlining all attempts and responses (or lack thereof) to secure a readily available on-premises license. • Applicant should send certified letters of inquiry as to the availability of the license to each licensee at the address listed on the licensee listing report provided by the MLCC. • Applicant should submit copies of the letters sent, certified tags, signed certified return receipts, copies of any envelopes returned by the USPS, and copies of any correspondence received from the licensees. • Applicant should provide dates, the name of the person contacted, and a synopsis of the conversation if escrowed licensees are contacted by telephone. • Applicant should provide documentation regarding the fair market value of the license based on where the applicant will be located, if determinable, the size and scope of the proposed operation, and/or the existence of mandatory contractual restrictions or inclusion attached to the sale of the license when indicating to the MLCC that purchase of a license is not economically feasible or the license is not readily available.
☒ There are no readily available on-premises licenses in escrow in the county where the proposed licensed business will be located.
☒ There are no unissued, on-premises quota licenses readily available in the local governmental unit where the proposed licensed business will be located.

Please use the Local Governmental Unit Approval Form (LCC-106) or obtain a resolution from the local governmental unit that contains the same information required on the form. The form or a resolution from the city, village, or township must specifically state the applicant's legal name, if an individual person, or the corporate name of the business, the proposed licensed address, and contain a recommendation for the issuance of a license under one of the two following options:
