WHEREAS, the United States Geological Survey (USGS) has determined that the flood model data designating the base flood elevation for the Red Cedar River is no longer correct and that correcting this data will, over time, result in lower flood insurance rates and preserve property values; and

WHEREAS, the City of Lansing Office of Emergency Management has proposed a contract with the USGS to provide the corrected data to the Federal Emergency Management Agency for the purpose of issuing revised flood maps showing the corrected base flood elevation; and

WHEREAS, flood model data constitutes publicly owned property, the improvement of which will provide direct financial benefits to the owners of more than 500 properties in the Red Cedar River floodplain in the City of Lansing; and

WHEREAS, the total amount of the contract is \$363,000, the City of Lansing has established a need for a special assessment district which includes all commercial and residential properties in the floodplain of the Red Cedar River, to pay for fifty percent of that contract (\$181,500) over two years; and

WHEREAS, the special assessment will be based on the square footage of the home or business, a determining factor in flood insurance rates; and

WHEREAS, City Council, by Resolution 2018-019 passed on February 12, 2018, determined that there is a public necessity to engage in a contract with the USGS for work which will result in the correction of the base flood elevation for the floodplain of the Red Cedar River for the benefit of property values and flood insurance premium rates on the lands currently within the floodplain of the Red Cedar River; and

WHEREAS, City Council, by Resolution 2018-019 passed on February 12, 2018, ordered the creation of a special assessment district consisting of all parcels of real property within the currently mapped floodplain of the Red Cedar River, and directed the City Assessor to make an assessment roll for the lands within the assessment district ordered.

NOW THEREFORE BE IT RESOLVED, that the contract to correct Red Cedar Floodplain base flood elevation data be supported by a special assessment of improvement costs against the properties which are especially benefitted as follows:

<u>Property Type</u>	<u>Total Number of Properties</u>	<u>Total Assessment for Property Category Based on Square Footage</u>
Commercial	63	\$112,913
Apartment Buildings	6	20,312
Single Family Residential	529	48,275

BE IT FURTHER RESOLVED, that deadline to create and compile the roll is extended to the effective date of this resolution, and that any delay in the creation and compilation of the Red Cedar Floodplain special assessment roll, RCF19, is waived.

BE IT FURTHER RESOLVED, that the Red Cedar Floodplain special assessment roll, RCF19, compiled by the City Assessor, is attached and incorporated herein, and received and accepted by City Council with this resolution.

BE IT FURTHER RESOLVED, that a public hearing be held at 7:00 p.m. on Monday, May 13, 2019, in the City Council Chamber, 10th Floor, City Hall, Lansing, Michigan to consider the establishment of the Red Cedar Floodplain special assessment roll;

BE IT FINALLY RESOLVED, that notice to the affected owners of the properties in said district be given in accordance with Chapter 1026 of the Lansing Code of Ordinances.

- B. Recipient shall request payment in accordance with the following:

1. **Method of Payment.** Payment will be made by advance and/or reimbursement through the Department of Treasury's Automated Standard Application for Payments (ASAP) system.
2. **Determination of Risk Requirements.** Requests for advances or reimbursements must be submitted digitally to your NPS ATR using Standard Form 270. Upon NPS approval of the request, Recipient may request reimbursement via the ASAP system. If payments are requested from the ASAP system without prior NPS approval, the Recipient shall be determined "high risk" which will suspend Recipient access to the ASAP system and may result in suspension of grant award. The Recipient will provide supporting documents to include invoices, copies of contracts, vendor quotes, and other expenditure explanations that justify the reimbursement request.
3. **Requesting Advances.** Requests for advances must be submitted via the ASAP system. Requests may be submitted as frequently as required to meet the needs of the Financial Assistance (FA) Recipient to disburse funds for the Federal share of project costs. If feasible, each request should be timed so that payment is received on the same day that the funds are dispersed for direct project costs and/or the proportionate share of any allowable indirect costs. If same-day transfers are not feasible, advance payments must be as close to actual disbursements as administratively feasible. Advances must be liquidated within 30 days or returned to the ASAP account.
4. **Requesting Reimbursement.** Requests for reimbursements must be submitted via the ASAP system. Requests for reimbursement should coincide with normal billing

patterns. Each request must be limited to the amount of disbursements made for the Federal share of direct project costs and the proportionate share of allowable indirect costs incurred during that billing period.

5. **Adjusting Payment Requests for Available Cash.** Funds that are available from repayments to, and interest earned on, a revolving fund, program income, rebates, refunds, contract settlements, audit recoveries, credits, discounts, and interest earned on any of those funds must be disbursed before requesting additional cash payments.
 6. **Bank Accounts.** All payments are made through electronic funds transfer to the bank account identified in the ASAP system by the FA Recipient.
 7. **Supporting Documents and Agency Approval of Payments.** Additional supporting documentation and prior NPS approval of payments may be required when/if a FA Recipient is determined to be “high risk” or has performance issues. If prior Agency payment approval is in effect for an award, the ASAP system will notify the FA Recipient when they submit a request for payment. The Recipient must then notify the NPS AO and ATR that a payment request has been submitted. The NPS may request additional information from the Recipient to support the payment request prior to approving the release of funds, as deemed necessary. The FA Recipient is required to comply with these requests. Supporting documents may include invoices, copies of contracts, vendor quotes, and other expenditure explanations that justify the reimbursement requests.
- C. In order to receive a financial assistance award and to ensure proper payment, it is required that Recipient maintain their registration with the System for Award Management (SAM), accessed at <http://www.sam.gov>. Failure to maintain registration can impact obligations and payments under this Agreement and/or any other financial assistance or procurements documents the Recipient may have with the Federal government.
- D. Any award beyond the current fiscal year is subject to availability of funds; funds may be provided in subsequent fiscal years if project work is satisfactory and funding is available.
- E. **Allowable and Eligible Costs.** Expenses charged against awards under the Agreement may not be incurred prior to the beginning of the Agreement, and may be incurred only as necessary to carry out the approved objectives, scope of work and budget with prior approval from the NPS AO. The Recipient shall not incur costs or obligate funds for any purpose pertaining to the operation of the project, program, or activities beyond the Period of Performance end date stipulated in the award.
- F. **Travel Costs.** For travel costs charged against awards under the Agreement, costs incurred must be considered reasonable and otherwise allowable only to the extent such costs do not exceed charges normally allowed by the Recipient in its regular operations as the result of the Recipient’s written travel policy. If the Recipient does not have written travel policies established, the Recipient and its contractors shall follow the travel policies in the Federal

Travel Regulation, and may not be reimbursed for travel costs that exceed the standard rates. All charges for travel must conform to the applicable cost principles.

- G. **Indirect Costs.** Indirect costs will not be allowable charges against the award unless specifically included as a line item in the approved budget incorporated into the award.
- H. **Recipient Cost Share or Match.** No non-Federal matching share is required. The approved project budget includes **\$12,500** in eligible project matching share. Any non-Federal share, whether in cash or in-kind, is expected to be paid out at the same general rate as the Federal share. Exceptions to this requirement may be granted by the AO based on sufficient documentation demonstrating previously determined plans for or later commitment of cash or in-kind contributions. In any case, the Recipient must meet their cost share commitment over the life of the award.

ARTICLE VII – PRIOR APPROVAL

The Recipient shall obtain prior approval for specific actions, in accordance with 2 CFR 200.308 and the Historic Preservation Fund Grants Manual, including:

any number of claims arising from any one incident. The policies shall name the United States as an additional insured, shall specify that the insured shall have no right of subrogation against the United States for payments of any premiums or deductibles due thereunder, and shall specify that the insurance shall be assumed by, be for the account of, and be at the insured's sole risk. Prior to beginning the work authorized herein the Recipient shall provide the NPS with confirmation of such insurance coverage.

To pay the United States the full value for all damage to the lands or other property of the United States caused by the Recipient, its officers, employees, or representatives.

To provide workers' compensation protection to the Recipient, its officers, employees, and representatives.

In the event of damage to or destruction of the buildings and facilities assigned for the use of the Recipient in whole or in part by any cause whatsoever, nothing herein contained shall be deemed to require NPS to replace or repair the buildings or facilities. If NPS determines in writing, after consultation with the Recipient that damage to the buildings or portions thereof renders such buildings unsuitable for continued use by the Recipient, NPS shall assume sole control over such buildings or portions thereof. If the buildings or facilities rendered unsuitable for use are essential for conducting operations authorized under this Agreement, then failure to substitute and assign other facilities acceptable to the Recipient will constitute termination of this Agreement by NPS.
