Review of Project Suggestions and Section One of the Development and Finance Plan (Kahleea Washington)

Washington presented the first section of the development and finance plan for the corridor, consisting of the introduction and the history of the corridor. The board reviewed those items and discussed the next sections to be reviewed.

Washington also went over her placemaking project being funded by CED AM. There are a few obstacles that she is currently working out. The board was very pleased with the work she has done in the city viewing placemaking project.

Projects Discussion

Washington went over ARPA funding plan with present board members. The board discussed events to activate the corridor. Food Truck Friday Theme, Events using the old Airport Tavern and Food trucks at the closed do Sunoco were brought up for ways to activate the corridor.

Other Business

The board also discussed having Steven Bezold from the City of Lansing Planning and Development department to review the GIS site mapping tool.
