Review of Section One of the Development and Financing Plan (Kahleea Washington)

Washington reviewed spoke briefly over the parts over the Development and Financing Plan that had been covered at previous meetings, but then went into more detail review of Sections I and II of the plan as well as the projects suggestion from the corridor survey.

ARPA Funding Discussion

The board discussed the short-term projects from the Development and Finance Plan. The board discussed traffic safety measures as well as looking at engaging the city with a food truck Friday theme. Also discussed businesses west of the Airport to Waverly and activating the Airport Tavern which is currently closed. Washington went over some of the struggles with her placemaking project at Reasoner Park. Washington also went over her plan to move the placemaking project to a new location on the Corridor. Washington is going to continue to work with local government and businesses to complete placemaking project.
